LETTER OF REFERENCE

The Harbour Agency was established in late 1978 to meet the market needs for a professional music booking agency. Over the years it has become Australia's largest booking agency, providing the very best Australian talent. For further information on our company, and to view our entire artist roster, please visit our website www.theharbouragency.com

We have known and worked with Harris Meitanis and his company Apples & Pears for the 10 years that the company has been in existence. Their staff, professionalism and extensive network of clientele all create a solid foundation towards their role as a provider of concepts and entertainment for private and corporate events.

Apples & Pears and Harris Meitanis are an approved client of The Harbour Agency. We support the work that he and his company do in the events entertainment area.

If you would like to discuss any of the above points, please don't hesitate to contact me on the below details.

Yours sincerely,

Tony Grace Guarrera
